Jumping Chollas is currently accepting entries by email with the following conditions:

- Email entries that are received after the closing date are considered late entries and the late fee will be charged

- All Exhibitors for a given class should be present at ringside at least one-half hour prior to the start of the scheduled classes for walk through and briefing.
- Any dog and handler not present when called will be ineligible to run.
- This trial is a two-ring trial, and will be a double-run format Friday ONLY

PROFICIENT / SKILLED CATEGORIES:

Each class will be split into two categories, Proficient and Skilled.

Skilled Category, dogs jump 4" lower than indicated by the current jump height table. (No dog can jump less than 4").

Dogs entered in either category may incur 5 or fewer faults, (course/time) and earn a 5 pt. qualifying round in Regular agility.

NON-JUMPING CLASSES – VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Jump Heights

Dogs entered in the Proficient Category must jump at the minimum jump height specified by the following table. Dogs entering the Skilled Category MUST jump one jump height lower than the heights listed in the table, although no dog shall jump lower than 4". All dogs must jump their valid jump height as determined by their Category and Division and may not jump higher.

	Small Dogs		Medium Dogs	Large Dogs
Standard Division	Withers 11" & under jump 8"	Withers 14" & under jump 12"	Withers 18" & under jump 16"	Withers over 18" jump 20"
Junior Handler Division	Withers 11" & under jump 4"	Withers 14" & under jump 8"	Withers 18" & under jump 12"	Withers over 18" jump 16" (may NOT jump higher in this division)
Veterans Division	Withers 11" & under jump 4"	Withers 14" & under jump 8"	Withers 18" & under jump 12"	Withers over 18" jump 16" (may NOT jump higher in this division)

As the table shows, there are four Standard Division-Proficient jump heights: 8", 12", 16", 20". There are four Standard Division-Skilled jump heights: 4", 8", 12", and 16". There are four jump heights for the Veterans and Junior Handler divisions: 4", 8", 12", and 16".

Veterans and Junior Handler dogs must jump their valid jump height and may not jump higher; thus, a Vets or JH dog may not jump higher than 16" in the Proficient category and no higher than 12" in the Skilled category.

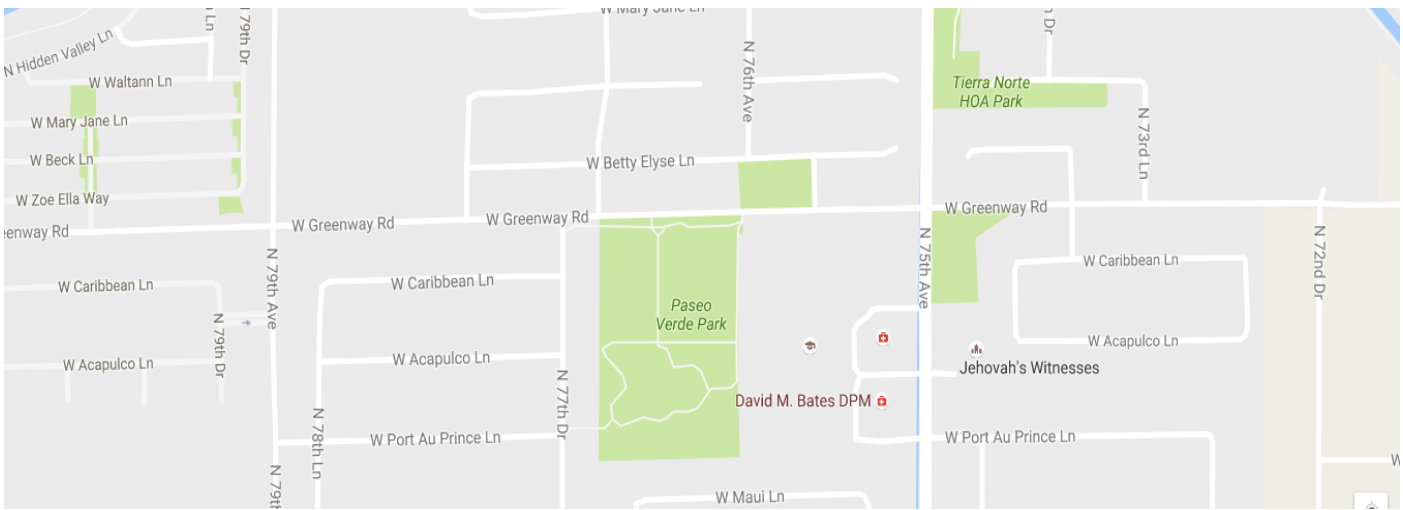

There is no 4" Standard Division jump height in Proficient; the 4" Proficient height is for veteran dogs/handlers, disabled handlers, and junior handlers only. In the Skilled category, 8" dogs may jump 4" as their standard jump height. No dog may jump lower than 4".
