

JUMPING CHOLLAS AGILITY CLUB PRESENTS

# STACY PEARDOT-GOUDY

**SEMINAR 1 - JANUARY 22, 2018 - 8:30am-4:30pm - FOCUS and GROUNDWORK** - This seminar will “focus” on building your dog’s desire and motivation to pay attention to you and the obstacles instead of the environment. It will also work on the groundwork that you need for great obstacle performance and handling skills. It will cover topics such as using cones to teach tight turns and handling, and obstacle commitment. This seminar is great for those who are not yet trialing or for those who want to improve their handling skills and your dog’s understanding of your body language.

**SEMINAR 2 - JANUARY 23, 2018 - 8:30 pm-4:30pm - FRONT, REAR AND BLIND CROSSES.** Virtually every agility course requires you execute various changes of sides, whether front, rear, or blind crosses. Yet, many people are unconfident or unskilled in their choice and execution of these crucial handling skills. Stacy will share the secrets of great crosses and strategies for their use. This is a great way to build your dog’s teamwork with you.

**SEMINAR 3 - JANUARY 24-25, 2018 - 8:30 pm-4:30pm - TWEENERS.** For those beyond beginners but not yet really ready for advanced and for those who will be trialing soon or are just starting trialing. This seminar will prepare you for the skills you will need when you set foot in the ring for real, including how to transition from training to trialing and how to keep your obstacle performance and handling skills as sharp in a trial as they are at home, so you never have to say again “But my dog does it perfectly at home or in class.”

**SEMINAR 4 - FEBRUARY 5-8, 2018 - 8:30am-4:30pm - ADVANCED HANDLING** - 4 days of working with Stacy on improving and polishing your handling skills. You don’t want to miss a single day of this exciting and challenging seminar (but you can sign up for less than all 4 days if there is room). For dogs working at the Masters, Excellent, or Elite levels (even if not yet showing at that level).

***WHERE: At 4946 W. Fallen Leaf Lane, Glendale, Az. (just south of Happy Valley Rd.)*** (Surface is artificial sports turf)
