SEARCH AREA & RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces. Trial will take place rain or shine.

Search area sizes will be as stated in the AKC regulations for all elements and levels.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging area will include warm-up and waiting areas.

Handler Briefings – you will receive links to videos of your search areas the night before the trial. The judge will also give each exhibitor a short briefing when you come to each search area (no general briefing, and no class briefing before class starts).

One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers in the warm up area if they choose.

SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date, this includes driving into the parking lot or otherwise disturbing their regular business. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future. This trial site will not be used for Scent training one week before the trial.

Possession of Odors and Training. Chapter 5, Section 35 of the Scent Work Regulations state “No person other than those engaged in the administration of a trial shall be in possession of any target odor

when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area”.

Spectator Area. Spectators are allowed except if judge deems that the space is too small and the presence will significantly affect the search area. Exhibitors are forbidden to discuss any details of the searches with handlers who have not run!

Crating space Please crate your dogs in your car. Please keep dogs quiet, if barking cannot be controlled you will be asked to leave. Keep dogs on leash while not working. **No overnight parking for RVs. Daytime parking for RVs is allowed.** No setups will be allowed. There will be no overnight security.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

First Place.....	Blue
Second Place.....	Red
Third Place.....	Yellow
Fourth Place.....	White
Qualifying Score.....	Dark Green

A New Title rosette will be awarded to all dog and handler teams finishing a title. You may pick up titling ribbons immediately upon completion. All other placement ribbons – more information will be included in your trial information.

High in Trial – Offered for all levels

All level High in Trial rosettes will be offered at this trial. Only teams who participate in the same difficulty level in *all* elements offered (Container, Interior, Exterior, and Buried **or** Container, Exterior and Buried for Master level), and qualify in each are eligible to win High in Trial. There is no separate High In Trial for the Novice A and Novice B sections; they are combined. The High in Trial is determined by adding the team’s faults across the elements. If there is a tie based on faults, then the team’s times across the elements will be summed and the faster-finishing team will win. Teams winning High In Trial will earn a rosette.

NOTICE TO EXHIBITORS

A preliminary confirmation will be sent once your entry is received. A final confirmation with trial details will be sent out about a week before the trial.

Handler Briefings – you will receive links to videos of your search areas the night before the trial. The judge will also give each exhibitor a short briefing when you come to each search area (no general briefing, and no class briefing before class starts).

SAFETY, BEHAVIOR and LIABILITY

The venue is a tobacco and alcohol-free facility & grounds. Please refrain from smoking or vaping while on the property.

The **safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Jumping Chollas Agility Club of Greater Phoenix (“the club”) and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the club or any official thereof.

Exhibitors should follow their veterinarian’s recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge (tags ok). Dogs are permitted to have a wearable camera such as a Go Pro may be mounted to the dog’s harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches where allowed). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed. Handlers will have the option to run Detective class off-leash.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Details about flow and run order progression will be covered in the briefing.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.

Comments:

Judge's Steward – Responsible for helping the judge throughout the trial. Usually, this position is filled by someone who is not running in the trial. Duties can include – handling “hot” items/ “cold” items, welcoming next competitor to search area, ensuring judge is comfortable and has water. Should be able to lift 35 lbs and stay on their feet for large portions of the day.

Box Steward – Needed for Buried & Container searches. Will be bending, lifting up to 35 lbs, and rearranging/cleaning containers as needed.
